Overview

This bill concerns disability parking. It modifies eligibility for disability plates to include guardians of a ward who is disabled, and expands information that must be conveyed on a disability parking sign.

Section

- 1 Disability plates; application.** Expands eligibility for disability license plates to include vehicles of guardians of a physically disabled legal ward.
- 2 Penalties for unauthorized use of plates.** Makes a conforming change.
- 3 Disability parking space signs.** Modifies information that must go on a disability parking sign, to include requirements on (1) displaying disability parking authorization (such as disability plates or a hang tag), and (2) centering the vehicle in the stall relative to the sign. The change applies to signs as they are replaced in the normal course of sign maintenance.
